Report of Oral Pathology Day:

Department of Oral Pathology and Microbiology celebrated Third “National Oral Pathology Day” on February 25th 2022 Friday at 10 am in the Oral Pathology department Laboratory.

On this occasion all the HOD/Incharges are invited to the department.

We had cake cutting and everyone shared their experience and discussed the importance of Dental Anatomy and pathological diagnosis in clinical practice.

We announced the installation of new microtome in the department and invited them to utilize pathology facilities for future research purpose.
